O R D E R

The Commission reopens this case to address the compliance of Shared Communications Services, Inc. ("Shared Communications") with the Commission's October 8, 2003 Order.

By Order dated October 8, 2003, Shared Communications' name was stricken from the Commission's list of utilities authorized to provide service in Kentucky. The Order provided that certain utilities that had failed to comply with KRS 278.130 through KRS 278.150 should show cause why they should not be subject to penalties for such failure. The Order further provided that, in the absence of such showing made within 30 days, the utilities' authorization to provide service in Kentucky would be revoked without further Order. It now appears from the record that Shared Communications, on or about November 7, 2003, made the proper filings and payments necessary to comply with the Commission's October 8, 2003 Order. Shared Communications was at all times properly authorized to conduct business in Kentucky, despite being listed as an inactive utility with the Commission.

IT IS THEREFORE ORDERED that this case is closed and is removed from the Commission's docket.

Done at Frankfort, Kentucky, this 29<sup>th</sup> day of October, 2004.

By the Commission

Commissioner W. Gregory Coker did not participate in the deliberations or decision concerning this case.
